

This opportunity is offered to anyone who would like to spend from one semester to one full Academic Year at the Politecnico di Torino not in the frame of **exchange programs**. Through the **Single Courses program** applicants can attend classes, sit for exams and get the Transcript of Records with final results at the end of the period of study. Students are offered a wide range of courses to choose both in Italian and English, at first or second level (BS or MS), in Engineering, Design and Architecture fields.

WHY

- For professional updating and professional requalification.
- For international students enrolled at university who want to boost their learning path

HOW Deadlines, requirements, documents and procedures in the website

HOW MUCH Tuition fees are composed of a fixed fee (351,44 €) plus 16 € for each purchased credit

WHERE The city of Torino, north-west of Italy, is a beautiful historical venue, at one hour distance from both the beautiful Alps and the Mediterranean seaside, perfect to experience the real Italian life. The **Politecnico di Torino** international, stimulating and exciting environment will enable students to live this experience at its full potential

WHEN The Academic Calendar is divided into two semesters:

- September to February
- March to July
