Your **mandatory Italian course** is usually placed in your study plan (APSP) of the first semester of your first year.

If you do not have any knowledge of Italian, you have to access the specific Procedure →

go to **Join an Italian language course**

through your PoliTo page - Lingue/Languages section to join the course Lingua Italiana I livello (Italian beginner-level course).

## PLEASE MIND:

You may **choose not to attend any Italian course** in the semester of your mandatory Italian course.

In this case, you will **still have to access the procedure and choose not to attend** any Italian course in that semester, to guarantee you the possibility to attend it in a subsequent semester.

Then, you will have to access the Procedure again in the semester of interest.
